Dear colleagues, dear friends!

We invite you to participate in the work of group of authors with the purpose of writing a multi-authored monograph on a topic:

**PROGNOSTICATION AND PLANNING OF ECONOMIC DEVELOPMENT:
MICROECONOMIC AND MACROECONOMIC LEVELS**

Monograph will consist of three parts:

Part 1. Forecasting and Planning of National Economy Development.

Part 2. Territory Development: Strategic Context.

Part 3. Business Management: Planning and Forecasting.

Authors of the multi-authored monograph will necessarily receive 3 copies of the publication. Each co-author of the monograph receives the Participation Certificate

For the participation in writing the multi-authored monograph are invited scientists, lecturers and postgraduate students. Scientific papers of postgraduate students must be sent solely in co-authorship with academic adviser.

Materials are accepted in **Ukrainian, Russian, Polish, English, Lithuanian** and **Lettish languages**.

Future publication will be the work of collective of authors cohered to represent findings of their researches. Coordination of work on the multi-authored monograph will be carried out by Jan Žukovskis, Dr. of Economics, Associate Professor, Head of Business and Rural Development Management Institute of the Aleksandras Stulginskis University (Kaunas, Lithuania).

The monograph will be published by European publishing house "Izdevniecība "Baltija Publishing" (Riga, Latvia) with assignment of UDC and ISBN, which will allow authors to take part in multi-authored scientific work published in the country of the European Union.

In addition we would like to inform you that participation in the monograph preparation, ready for press in countries of the European Union, is the confirmation of international scientific cooperation in the attestation for awarding academic degrees to scientific and academic workers according to the Resolution of the Cabinet of Ministers of Ukraine № 656 on 19.08.2016. Moreover, in accordance with the updated requirements of the Ministry of Education and Science of Ukraine on the procedure of awarding scientific degrees to scientific and academic workers the lack of sufficient amount of scientific papers in periodicals included in such scientometric bases as Scopus or Web of Science can be substituted by the publication of monograph in English (Chapter II, Paragraph 2.4 of the Procedure for Awarding Scientific Degrees to Scientific and Academic Workers, approved by the Order of the Ministry of Education and Science of Ukraine on 14 January 2016 №13).
